OUR PROGRAM

4 WEEKS

**EXPERT
INSTRUCTION**

**TUITION
COSTS
COVERED**

Gas Technology Institute (GTI) and its partners have developed an entry-level training program for those interested in pursuing a career in natural gas. This **4-week program** will provide a basic understanding of natural gas, the utility and pipeline industry, and different equipment, procedures, and operations.

Thanks to ARC grant funding, **the cost of tuition will be covered** for eligible students at community colleges and other venues throughout the Appalachian region.
